

# How to start expressing your opinion:

Use clear phrases such as:

- In my opinion...
- I believe that...
- From my point of view...
- Personally, I think...
- Maybe
- I am sure that
- I don't think

**Always justify why you hold that opinion to strengthen your argument.**

## Agreeing:

- I completely agree with you!
- That's a great point!

## Partially agreeing:

- I see your point, but...
- That's true, but I also think...

## Politely disagreeing:

- I understand your point, but I believe...
- Actually, I have a different perspective on that.

## Asking for opinions:

- What do you think about...?
- How do you feel about...?
